Transmittal of ORR Publications to [REDACTED]

1. There are enclosed herewith lists of ORR publications which have been sent to the [REDACTED] and which are a matter of record in the Reports Division. There are undoubtedly other papers which may have been sent through other channels of which D/R has no record.

2. Eight copies of each of the CIA/RR series are regularly sent to [REDACTED] by OGD after the usual processing. Omissions from this list (Enclosure A) are due to limitations on distribution or other special factors which prevented their release. Present indications are that there will be very few such omissions in the future.

3. Individual copies of other ORR reports which do not have a standard distribution are sent via OGD to [REDACTED] upon request of D/R. Those already sent are listed in Enclosure E.
